QLD BRANCH AND IHB GALA DAY SHOW

The Australian Warmblood Horse Association Queensland Branch in conjunction with International Horse Breeders Pty Ltd is conducting the 2014 AWhA QLD Branch and IHB Gala Day Show. This event is being held at Gatton Showgrounds on Saturday 14th June, 2014, commencing at 9:00 am.

The AWhA Qld Branch would like to offer special thanks to our major sponsor International Horse Breeders Pty Ltd as well as all other sponsors for supporting this year's event. All show sponsors are outlined within this program with links to their business and associated contact details. Without their generosity such an event could not take place. Please show your support for our sponsors as they have done for the AWhA QLD Branch and its members.

To all Gala Day entrants, on behalf of the AWhA QLD Branch committee we look forward to seeing you at our Gala Day Show and hope you have an enjoyable time. Please do not hesitate to approach the committee members on the day if you have any questions. Committee members will be wearing AWhA Ltd polo shirts to be easily identifiable.

The AWHQ QLD Branch would like to offer special thanks to our major sponsor [International Horse Breeders Pty Ltd](#) as well as all our other sponsors for supporting this year's event. Without their generosity such an event could not take place. Please show your support for our sponsors as they have done for the AWHQ QLD Branch and its members.

AWHA Ltd Mare Classifier and Judge Heather Adcock

Pictured left: Heather with Claus.

Heather Adcock (née Nayler) commenced riding lessons at the age of 7 and began competing in dressage at the age of 12. She trained in Germany in 1984 with Karin Schlüter-Grube, an Olympic bronze medal and team gold medal winner for Germany. Heather returned from her trip and furthered her dressage training skills campaigning her horse to Intermediare I level. In 1988 Heather and Claus won the Queensland Dressage Horse of the Year, were winners of the Elementary Trophy and named members of the Qld State Team.

In 1985, Heather purchased [Oakdean Domaneur](#) as a foal who went on to become an AWA Ltd Approved Stallion in 1988. In 1988, Heather commenced breeding with Oakdean Domaneur and [Kalimna Stud](#) was formed. Oakdean Domaneur was broken in, trained and campaigned by Heather to Intermediare level (training Grand Prix) before his untimely death in 2000. Career highlights include runner up Qld Novice Champion, Sunshine Coast Novice Champion and member of the Qld State Team.

Since this time, Heather has prepared many young horses bred by the stud for dressage, which have gone on and been successful with their new owners. Kalimna Stud has utilised the best local and overseas bloodlines to produce a modern Warmblood sporthorse specifically suited for dressage. Kalimna horses can be found successfully competing throughout Australia and many Kalimna bred females are utilised by other studs in their breeding programs. In 2009, Heather purchased and imported [Legend of Loxley](#). He has had great success under the training of the Kasselmann trained rider Sarah Honeywell. Legend of Loxley has been used at stud and his first offspring are now ready for breaking and training.

Heather Adcock has been a member of the AWA Ltd since 1988 and was a State and Federal committee member for many years. She has been a mare classifier with the AWA Ltd for more than 20 years. Kalimna Stud is a name that is linked with the history and future of Warmblood performance horse breeding in Australia.

AWHA Ltd Colt Selector, Mare Classifier and Judge Diana Wolyncevic

Pictured left: Di with Glencairn Delf.

Di Wolyncevic has been breeding Warmblood horses since 1980 with her first foals being two fillies by Sky's Above. Since that time Di has operated [Glencairn Warmblood Stud](#) in the heart of the Lockyer Valley at Forest Hill. Glencairn is a boutique stud producing between two and four foals most years. Glencairn utilises both dressage and jumping bloodlines in their breeding program. The stud has won or placed at every Brisbane Royal in which they have competed.

It was Di who lobbied the German Warmblood Horse Association (later to become the AWA Ltd) to form a Queensland Branch. Di was the first registrar for Queensland and held a number of roles on the committee for many years. Di has been classifying mares since the mid 1980s and colts since the late 1980s. She has been made a life member of the AWA Ltd.

On behalf of the AWA QLD Branch committee and its members, we sincerely thank both Heather and Di for their time given their busy schedules. It is greatly appreciated.

General Rules

1. No refunds after close of entries without a veterinary or medical certificate.
2. Participants who **ARE NOT AWA Ltd members** shall complete and sign the [AWHA Non-Member Release of Waiver of Liability](#) and pay \$10 for AWA Ltd Day Membership. **The form and associated fee must accompany your entry for handlers, riders and assistants (if applicable).**
3. **AWA Ltd members** are to complete and sign the [AWHA Member Dangerous Activity Acknowledgement](#). **This form must accompany your entry for handlers, riders and assistants (if applicable).**
4. Wrist bands will be supplied for competitors and their assistants. All competitors and assistants must have completed the applicable acknowledgement or waiver and paid the associated fee (if applicable). **No wrist band, no entry to the marshalling area.** Strictly no spectators are permitted in the marshalling area.
5. [AWA QLD Branch Horse Health Declarations](#) must be completed and signed on the day. **Please ensure you bring this with you and hand in to the office on your arrival.**
6. Neither the organisers nor the owner of the property accepts any liability for any accident, damage, injury or illness to horses, owners, riders, spectators, or any other persons or property whatsoever.
7. **Dogs are not permitted on the grounds.**
8. All colts and stallions 2 years old and over must be led with a bridle and bit. All stallions must comply with the [EA Stallion Safe Practices Guidelines](#).
9. All foals with or without the mare must be haltered and led.
10. ASA approved safety helmets must be worn at all times when riding, including in the warm-up area.
11. Notice to all competitors: the welfare of the horse is paramount.
12. **If you do not seek your stable bond prior to departure from Gatton Showgrounds, it will be used to pay for cleaning or, in the case of clean stables it will be considered as a donation.** No bonds will be refunded after the show weekend.
13. A professional photographer (Catherine Reid of [Catherine Reid Photography and Designs](#)) will be present on the day. Current AWA Ltd members will receive a 10% discount off of photographs purchased. *Please note:* the AWA Ltd may use your photograph and name for AWA Ltd publicity purposes.

Led Class Rules

1. Each led class has been allocated 10 minutes. If less time is required, the following classes may be called early.
2. The competition will be held in accordance with the rules set by the AWHHA Ltd. The AWHHA Ltd reserves the right to vary any aspect of the program as required.
3. Presented horses must be in good health and must not be lame.
4. The judges' decision is final.
5. Horse number: each horse will be supplied a number (if requested). A \$10 bond per number is required to be pre-paid with your entry. The bond will be refunded to you at the show when the number is handed in.
6. Horses are to be presented in the marshalling area 10 minutes prior to the time stipulated on the program. Failure to report to the marshall at the allotted time may result in automatic elimination. No class will be delayed for late comers. **Horse handler and stewards only in marshalling area.**
7. Championship: Champions will be judged on or as soon as possible after the completion of the led classes. All eligible first prize winners must parade for relevant Championships or forfeit prizes. If the Champion is found to be ineligible for the class, then the Reserve Champion will be awarded Champion. Those eligible to compete for Reserve Champion (the horse placed 2nd to the Champion in its class) must marshal 5 minutes prior to Champion judging times so they are ready to contest as soon as the Champion is awarded.
8. All horses 2 years of age and over are expected to be capable of leading without outside assistance. You may have assistance for yearlings and foals alone or with their dams. Excessive stimulation of any exhibit will not be tolerated.

The protocol for AWHHA and Open Warmblood Led classes is as follows:

1. All exhibits are to enter the ring together led in at walk and presented to the judges, with the near side facing in the designated area to be scored for type and conformation.
2. Upon completion of the type and conformation assessment, all exhibits are to return to the collecting area as directed by the judges.
3. At the judges' indication, each exhibit will individually re-present to the judges and when asked to move off, commence one circuit of the exhibition triangle (see diagram on page 10) in walk, followed by a second circuit in trot. *Please note:* the triangle is used to demonstrate your horse's ability to move straight and to show correct movement. This is what the judges wish to see. It is to your advantage to follow these directions.
4. After presentation all exhibits are to remain in close proximity to the judging area as directed by the judges.
5. At the completion of the last exhibit the judges will announce the place getters.

The Exhibition Triangle.

Your inspection will take place on a triangular course where you place the left side of your horse to face the judges. Here the so-called open position is obligatory.

The judges will score the individual marks for conformation and then ask you to walk away from them on the triangle, turning around the markers in a clockwise direction and return to your original starting position. Your horse should walk freely forward and straight, on a reasonably loose rein. Remember to look forward in the direction you are walking, not at your horse.

You will then be asked to trot one lap with your horse in a clockwise direction. The judges stay at the same place, and with the triangular form of the course they are able to first inspect your horse from behind, then its action deployment from the side, and finally its correctness from the front. For that reason, however, it is necessary to follow exactly the triangular form of the course.

At the trot the horse should be given the chance to move as freely as possible. With regard to very actively moving the horse the handler should be someone who is able to move well enough him/herself to show this movement. When trotting your horse you take both the reins in your right hand.

After the trotted lap return your horse to the judges from the right side standing. Judges may allow a second trot triangle in order to see movement. If on the day you do not understand what is requested of you, please seek clarification.

Please note: all horses 2 years of age and over are expected to be capable of leading without outside assistance. You may have assistance for yearlings and foals alone or with their dams. Excessive stimulation of any exhibit will not be tolerated.

Hillenvale Park Performance Warmbloods is owned and operated by Lisette New-Sippel. A boutique Holstein Warmblood stud originally from Rockhampton in Central Queensland.

I transferred to the Lockyer Valley in 2001 to complete a Diploma of Applied Science (Equine Studies). Prior to relocating we travelled the Agricultural Show circuit campaigning Thoroughbreds. With extensive hacking experience it was at a regional show that I first saw the Holstein Warmblood. We acquired a filly from River Range Warmblood Stud which was campaigned in dressage and hacking until semi-retirement to stud.

River Range Independence (Northern Classic x Flaneur (Imp)) is our foundation broodmare and has produced two beautiful colts thus far, HVP Saba's Eclipse by Noblewood Park Cougar (Collins x Caletto II) and HVP Courage by Noblewood Park Casino Royale (Imp) (Casall La Silla x Levantos I).

COUGAR, at an unprecedented six months old, won Supreme Champion at the Holsteiner Classifications in February 2002, was the winner of the 4 year old WA State Dressage Young Horse Championships in 2005, the Bates Newcomer Award in 2007, the 2010 ISS Summer Classic CSI-W Futurity and the 2010 NSW Country Jumping Championship - currently being campaigned by Georgina Oakman in eventing.

CASINO ROYALE is the first stallion to be imported into Australia that is by the popular and very gifted German Holstein sire, Casall La Silla. NP Casino Royale is successfully campaigned by Vicki Roycroft.

Our stud is expecting another Casino Royale foal in November this year. I prefer the performance bloodlines as it gives youngsters a great start in any discipline. We only breed one or two foals a year and are currently looking to selectively expand our broodmare band.

Our focus is on nutrition, education and overall well-being – a happy horse is a healthy horse.

The **Queensland Filly of the Year - Glencairn Stud Perpetual Trophy** was instigated by Di Wolyncevic of [Glencairn Warmblood Stud](#) in 2002 to promote Australian Warmblood fillies both bred and born in Queensland. Australian Warmblood breeders in Queensland are breeding quality Warmbloods on par with the rest of Australia as well as internationally. This class showcases some of the quality horses in Queensland today.

Previous recipients of the Glencairn Stud Perpetual Trophy include Remi Wolkenstar (2002), Jaybee Colleen (2003), Jaybee Collette (2004), Abbadaire Diandra (2005), Silkbridge Anky (2007), Jaybee Royal Prinzess (2008), TK Driving Miss Daisy (2010), Jaybee Alice (2012) and Jaybee Alezandra (2013).

MARE CLASSIFICATIONS

Perigueux/Lordanos/Werther

PREMONITION (IMP)

Licensed and Performance tested Hanoverian Stallion (HHSA and AWWA)

Chestnut 2008 16.1 ½

Premonition has it all. Beauty, fantastic temperament, balanced, expressive movement and a powerful jump.

With scores of 7.5 for walk, 8.5 for trot, canter and cross country and 9 for freejumping during his performance test, he came fourth overall.

Perigueux, Premonition's sire, has just been ranked third in the breeding index of the top ten sires of Germany. Trained by Eva Bitta, he is jumping successfully on the international circuit. He was recently described by Hannoverian Verband expert, Ludwig Christmann, as one of the promising sires at the moment. A filly by Perigueux just won the 4-year-old Hanoverian freejumping competition in Germany. Lordanos, on the dam's side, is also one of Germany's best showjumping sires.

Clem Smith (World Cup showjumper) Premonition's trainer and rider states " Premonition is very trainable with a wonderful nature. He has loads of scope and with his careful technique I feel that he will be a Grand Prix horse of the future"

The protocol for AWhA and Open Ridden Warmblood classes is as follows:

1. One rider per horse is permitted. There will be NO change of rider before the event.
2. Each ridden class has been allocated 15 minutes. If less time is required, the following classes may be called early.
3. The competition will be held in accordance with the rules set by the AWhA Ltd. The AWhA Ltd reserves the right to vary any aspect of the program as required.
4. Presented horses must be in good health and must not be lame.
5. The judges' decision is final.
6. Horse number: each horse will be supplied a number (if requested). A \$10 bond per number is required to be pre-paid with your entry. The bond will be refunded to you at the show when the number is handed in.
7. Horses are to be presented in the marshalling area 10 minutes prior to the time stipulated on the program. Failure to report to the marshall at the allotted time may result in automatic elimination. No class will be delayed for late comers. **Horse riders and stewards only in marshalling area.**
8. Championship: Champions will be judged on or as soon as possible after the completion of the ridden classes. All eligible first prize winners must parade for relevant Championships or forfeit prizes. If the Champion is found to be ineligible for the class, then the Reserve Champion will be awarded Champion. Those eligible to compete for Reserve Champion (the horse placed 2nd to the Champion in its class) must marshall 5 minutes prior to Champion judging times so they are ready to contest as soon as the Champion is awarded.
9. Exhibits are to enter the ring at a walk in a clockwise direction at the discretion of the ring steward/judges and may be asked to trot and canter as a group.
10. All exhibits will leave the arena and return individually when called. Changes of gait and direction, or a simple age appropriate workout will be indicated by the ring steward/judges.
11. At the completion of the last exhibit the judges will announce the place getters.
12. All exhibits in ridden classes must be ridden in a snaffle bridle. Use of side saddles and martingales is prohibited. Spurs must comply with EA guidelines.
13. ASA approved safety helmets must be worn at all times when riding, including in the warm-up area.
