

Arnage Warmblood Stud

PREMONITION (Imp) (Perigueux x Lordanos x Werther).

Stallion service fee for 2014: \$1,650 inc. GST.

Premonition is the first, purely showjumping bred, licensed and performance tested Hanoverian stallion to be imported into Australia. He scored 9.5 for free jumping, 8.5 for trot and canter and 8.5 for cross country. He came fourth overall at his performance test. A remarkable result showing how versatile he is.

Premonition is by the super sire, Perigueux, who was the six year old Hanoverian of the Year in 2008 and proven producer of talented jumping horses. The dam sire, Lordanos, is also a proven successful showjumper and sire.

Premonition has a wonderful temperament with great style and scope over fences and powerful movement. His foals have been tall and elegant with a colt this year achieving Premium Foal with the ACE Group.

Premonition has started his showjumping career and is showing great talent over a fence. A stallion with a wonderful temperament and a calm, careful approach to his jumping. Arnage Warmblood Stud has selected the very talented young rider Jess Brown from NSW, for the training and campaigning of Premonition.

Premonition has been to three dressage competitions for scores between 73% and 68% and Preliminary Champion, showing how versatile he is for any discipline.
