

Arnage Warmblood Stud

FIDERFÜRST (Imp) (Fidertanz x Friedensfürst x Liberty M).

Stallion service fee for 2014: \$1,900 inc. GST.

Arnage's new Premium Licensed and Performance Tested Hanoverian dressage stallion Fiderfürst, purchased by Arnage Warmblood Stud at the 2011 Verden Licensing auction.

Fiderfürst is by the amazing Fidertanz out of Friedensfürst (Trak) mare. Fidertanz was the Vice Champion at the German Young Horse Championships and his grand sire, Fidermark, was the German Young Horse Champion. Fiderfürst was awarded the Premium award which is only given to the top ten stallions (out of approximately 700 stallions) presented at the Hanoverian licensing each year.

During his performance test in Germany as a four year old, Fiderfürst had scores of 8.5 for trot and canter. He got an end score of 127 points for dressage and 102 points for jumping. He had the second highest trot score and second highest temperament score of all the 25 horses in the test and came fourth overall. He has also won and placed in young horse classes in Germany and has continued that success here in Australia.

2014 has seen Fiderfürst being trained and campaigned by Emma Flavelle. He has a wonderful, trainable temperament and will be prepared for future International competition by Emma.

We look forward to seeing Fiderfürst's progeny this year.
