LAURIES AS (Imp) (Londonderry x Pik Bube x Golden Miller).

Stallion service fee for 2014: \$3,300 inc. GST.

Black 2002 170cm Licensed and Performance Tested Hanoverian stallion.

Sire: Londonderry (Hanoverian Stallion of the Year 1999).

Dam: St.Pr.St. Pik Lady by Pik Bube I.

Black and beautiful, Lauries As amazes everyone he comes in contact with. The most gentle of horses, he is a real 'people person' and passes this wonderful trait on to his progeny. A stunning black stallion, Ace completed his Performance Test in Germany with outstanding scores: character 10, temperament 9.5, willingness to work 9.5, walk 9, canter 8.5 and jumping 8.

Not only is he sensational under saddle himself, but his first progeny are now under saddle and wowing everyone with their talent and trainability. We already knew that he produced elegant, long legged foals with beautiful heads and movement to die for, but we now know that they are also going to be head turners under saddle as well. His first foals out of Fishermans Friend mares resulted in three Champion foals in 2012! Watch out for this stunning black beauty. He has all the attributes of becoming a champion stallion!

Multiple PSG/Inter I Champion, "His first progeny now under saddle and wowing everyone."
