

Australian Warmblood Horse Association Limited

Queensland Branch: ACN 06309060150 | ABN 560 639 06150

The Australian Warmblood Horse Association Limited (AWHA Ltd) Queensland Branch is conducting their annual 2015 AWHA Queensland State Championships at Gatton Showgrounds on Saturday 20 June 2015 and is offering you the chance to sponsor this worthy event. The sponsorship packages are at varying levels in order to accommodate any business requirements. The AWHA Ltd is a not for profit organisation whose primary objective is to develop and promote the Warmblood breed in Australia. This year's Queensland State Championships includes led and ridden classes for both AWHA Ltd registered horses as well as Open Warmblood classes for Warmblood horses registered with the AWHA Ltd, Australian Continental Equestrian Group, Hanoverian Horse Society of Australia, Holsteiner Horse Association of Australia, International Sporthorse Studbook Australia and Trakehners Australia.

HISTORY

The AWHA Ltd was founded in the early 1970s in Victoria and was originally known as the German Warmblood Horse Association because the earliest imports, beginning in 1968, were from Germany. Once the future for breeding Australian Warmbloods was established, the name was proudly changed to the Australian Warmblood Horse Association Limited and is now a National organisation. The AWHA Ltd exists to promote the breeding and performance of the Warmblood horse in Australia and has over 500 members Nationally with over 100 members in Queensland alone. The AWHA Ltd is an internationally recognised body and an "A" class member of the World Breeding Federation for Sport Horses (WBFSH). Australian horses wishing to compete internationally must be registered with a body such as the AWHA Ltd.

The Warmblood horse is widely represented in many forms of equestrian activity from pony clubs and pleasure riding to Olympic competition, competing in disciplines including dressage, show jumping, carriage driving and eventing. Every year our State Championships attracts mares and foals, young horses, stallions and geldings for both led and ridden classes. Their owners range from the Warmblood enthusiast with one horse to professional breeders.

The AWHA Queensland State Championships is not just about assessments and showing off this season's foal crop. There are many classes for horse owners, breeders and spectators alike. One doesn't even have to be a member of the AWHA Ltd to join the fun. All Warmbloods that are registered with a recognised breed association are eligible to enter. There are broodmare classes, young horse classes, in-hand as well as ridden classes. Our focus is on fun, promoting the Warmblood breed, catching up with colleagues and friends as well as providing a stress free environment for breeders and owners with young horses.

As a not-for-profit event, any proceeds from the AWHA Queensland State Championships is directed back in to the Queensland Branch to assist in transporting judges and classifiers, conducting mare assessments and colt selections, funding our stand at the Queensland Festival of Dressage, printing of advertising material for our annual online stallion service auction and much more to develop and promote the Warmblood breed in Australia. If you have any further questions regarding the AWHA Queensland Branch sponsorship proposal, please do not hesitate to contact me.

Kind regards,

A handwritten signature in cursive script that reads 'Shanna'.

Shanna Antrim.

AWHA QLD Branch President and Publicity Officer.
