

APPH Grande Farnese

Chris Esh Photography ©

APPH Grande Farnese (Grandkavalier x Falkland x Monopol).

Stallion service fee for 2014: \$1,100 inc. GST.

APPH Grande Farnese is the only AWA Licensed son in Australia by the imported and now deceased, Grandkavalier. Grande Farnese holds a combination of Europe's most successful dressage and jumping bloodlines, the G and F line. The blood of impressionable stallions such as Falkland and Monopol run right alongside that of the legendary Rubinstein I.

Standing at 16.2hh, APPH Grande Farnese possesses a strong uphill body, which he strongly stamps his progeny with, a powerful hindquarter and well proportioned bone size. He has an amazing amount of athleticism and has now proved himself to be a brilliant allrounder. He has a fabulous temperament, gentle nature and is exceptionally well behaved in company. He has been bred, owned, trained, competed and handled by lady owners. He is a complete gentleman.
