

The Australian Warmblood Horse Association QLD Branch in conjunction with International Horse Breeders Pty Ltd proudly present the 2013 AWhA...

QLD BRANCH AND IHB GALA DAY SHOW

The Australian Warmblood Horse Association Queensland Branch in conjunction with International Horse Breeders Pty Ltd is conducting the 2013 AWhA QLD Branch and IHB Gala Day Show. This event is being held at Gatton Showgrounds on Saturday 15th June, 2013, commencing at 9:00 am.

The AWhA Qld Branch would like to offer special thanks to our major sponsor International Horse Breeders Pty Ltd as well as all other sponsors for supporting this year's event. All show sponsors are outlined within this program with links to their business and associated contact details. Without their generosity such an event could not take place. Please show your support for our sponsors as they have done for the AWhA QLD Branch and its members.

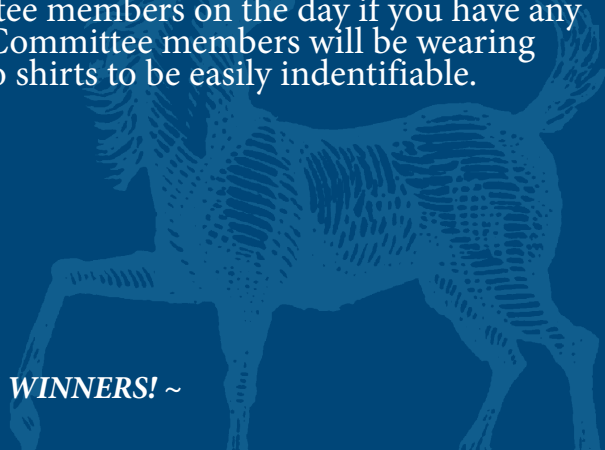

To all Gala Day entrants, on behalf of the AWhA QLD Branch committee we look forward to seeing you at our Gala Day Show and hope you have an enjoyable time. Please do not hesitate to approach the committee members on the day if you have any questions. Committee members will be wearing AWhA Ltd polo shirts to be easily identifiable.

IHB offers to all serious horse breeders many years of experience in the trade of frozen artificial insemination (AI), being established in 1989. They bring to Australian breeders the choice of the best stallions that the world has to offer. Their experience, technical skills and success now speaks for itself and their average conception rate of two inseminations per pregnancy is the envy of the international market.

IHB began with a specific vision back in the 1980's. The idea was to introduce the genes of the world's top ranking stallions into the breeding stock here in Australia through frozen AI. At the time, AI was a recently developed technology but during the past fifteen years, enormous progress has been made. Twenty five years ago, IHB were excited about being pioneers in the industry; they are now proud to be able to boast the best conception rates in the world using frozen AI and that their results exceed any other method of breeding.

The ambition of most serious breeders is to produce a top performer. IHB can turn that dream into reality. They have successfully made dreams come true for horse breeders all over this country for many years. We invite you to contact IHB to discuss any aspect of your breeding programme for the 2013/2014 breeding season. From your choice of stallion to any other concern you may have, IHB are there to help you achieve the best.

~ BREED YOUR BEST TO THE WORLD'S BEST! ~

The AWHQ QLD Branch would like to offer special thanks to our major sponsor [International Horse Breeders Pty Ltd](#) as well as all our other sponsors for supporting this year's event. Without their generosity such an event could not take place. Please show your support for our sponsors as they have done for the AWHQ QLD Branch and its members.

Australian
Continental
Equestrian Group

AWHA Ltd Mare Classifier and Judge Joanne Verikios

Pictured left: Joanne riding [Highborn Powerlifter](#).

Joanne was born in Toowoomba, Queensland, and grew up with a passion for horses. She acquired her own pony at the age of nine and went through the Pony Club ranks with great enthusiasm. Joanne later qualified as a Pony Club instructor and was a member of the Downs Pony Club team that won the Duke of Edinburgh Pony Club Games Championship in 1972.

Better known to the AWHALtd as Joanne Pappas, she established Highborn Warmblood Stud near Canberra in the Australian Capital Territory, and bred the AWHALtd Licensed Stallion Highborn Powerlifter (Valuta x [Nova Vega xx](#) x [Spats xx](#)).

Joanne was the founding President of the ACT Branch of the AWHALtd and has also served as the AWHALtd Federal President and Federal Registrar. She was also a committee member of the National Capital Horse Trials Association. Joanne is an experienced Warmblood classifier and trainer of classifiers and judges. She has written for a number of equestrian publications and has competed with success in eventing, dressage, hacking and led classes.

AWHA Ltd Mare Classifier, Judge and Federal Registrar Silvia Ahamer

Pictured left: Silvia with [Danaos Du Theillet](#).

Silvia was born in Austria and came to Australia in 1990. She was a junior showjumper of Austria and a member of the Upper Austrian Eventing team. Silvia was a member of the Warmblood Breeding Association of Austria and bred Warmblood horses so her connection with Warmblood horses goes back a long way.

When Silvia came to Australia she joined the Bowral Dressage Club and was on the committee for ten years. She took a break from committee positions whilst establishing her stud [Bendooley Park](#) where Landline (Laptop x Northern Commander I x Souvenir) and Danaos Du Theillet (Imp) (Quito De Baussy x I Love You x Night and Day) now stand. She has since rejoined the Bowral Dressage Club committee and had also been, for some years, the President of the Bowral Showjumping Club.

Silvia has been on the committee of the AWHALtd NSW Branch in several different functions including Mare Classifier, becoming a Colt Classifier in 2009 and has been judging at different events and Gala Days throughout Australia. Silvia has also been an AWHALtd Branch Registrar for many years and upon centralisation of processing she became the Administration Registrar and Federal Registrar on the AWHALtd Federal Board. Her knowledge of the German language and European breeding is invaluable in that role. At present, Silvia is also acting registrar for the AWHALtd Queensland Branch.

On behalf of the AWHALtd QLD Branch committee and its members, we sincerely thank both Joanne and Silvia for their time given their busy schedules. It is greatly appreciated.

Danaos *Du Theillet* (IMP)

You can now breed with the very best of proven International showjumping bloodlines. Danaos du Theillet is the **ONLY** stallion standing in Australia to have successfully won and placed at World Cup, Grand Prix and 145cm speed classes across Europe.

Danaos is a 16.3h Selle Francais stallion by World Champion Quito de Baussy with grand-sire I Love You winning the World Cup & Horse of the Year 1984.

His pedigree also includes Jalisco B, Alme Z and Ibrahim. He was described by his German rider as a beautiful stallion with heart, courage and strength. His good looks, natural athleticism and wonderful temperament will enhance any breeding program.

2013 AWHQ QLD Branch and IHB Gala Day Show

Venue: Gatton Showgrounds, Cnr Woodlands Road and Golf Links Drive, Gatton, Queensland, 4343.

Show Secretary: Claudette Johnson, email claudetj@au1.ibm.com or phone 0407 375 870.

Prizes: 1st place \$45 cash, 2nd place \$30 cash, 3rd place \$15 cash. Rosettes to 4th place. Trophies for Supreme Champion and Champions (excluding Reserve Champions). Also a variety of sashes, ribbons and vouchers.

General Rules

1. No refunds after close of entries without a veterinary or medical certificate.
2. Participants who **ARE NOT AWHQ Ltd members** shall complete and sign the [AWHQ Non-Member Release of Waiver of Liability](#) and pay \$20 for AWHQ Ltd Day Membership. **The form and associated fee must accompany your entry for handlers, riders and assistants (if applicable).**
3. **AWHQ Ltd members** are to complete and sign the [AWHQ Member Dangerous Activity Acknowledgement](#). **This form must accompany your entry for handlers, riders and assistants (if applicable).**
4. Wrist bands will be supplied for competitors and their assistants. All competitors and assistants must have completed the applicable acknowledgement or waiver and paid the associated fee (if applicable). **No wrist band, no entry to the marshalling area.** Strictly no spectators are permitted in the marshalling area.
5. [AWHQ QLD Branch Horse Health Declarations](#) must be completed and signed on the day. **Please ensure you bring this with you and hand in to the office on your arrival.**
6. Neither the organisers nor the owner of the property accepts any liability for any accident, damage, injury or illness to horses, owners, riders, spectators, or any other persons or property whatsoever.
7. Dogs are not permitted on the grounds.
8. All colts and stallions 2 years old and over must be led with a bridle and bit. All stallions must comply with the [EA Stallion Safe Practices Guidelines](#).
9. All foals with or without the mare must be haltered and led.
10. ASA approved safety helmets must be worn at all times when riding, including in the warm-up area.
11. Notice to all competitors: the welfare of the horse is paramount.
12. **If you do not seek your stable bond prior to departure from Gatton Showgrounds, it will be used to pay for cleaning or, in the case of clean stables it will be considered as a donation.** No bonds will be refunded after the show weekend.
13. A professional photographer (Catherine Reid of [Catherine Reid Photography and Designs](#)) will be present on the day. The photographic area will be located on the northern end of the stable complex. When Catherine is not photographing in the indoor arena, please make your way over to this area to have your horse's photograph taken. Current AWHQ Ltd members will receive a 10% discount off of photographs purchased. *Please note:* the AWHQ Ltd may use your photograph and name for AWHQ Ltd publicity purposes.

Led Class Rules

1. Each led class has been allocated 10 minutes. If less time is required, the following classes may be called early.
2. The competition will be held in accordance with the rules set by the AWHHA Ltd. The AWHHA Ltd reserves the right to vary any aspect of the program as required.
3. Presented horses must be in good health and must not be lame.
4. The judges' decision is final.
5. Horse number: each horse will be supplied a number. A \$10 bond per number is required to be pre-paid with your entry. The bond will be refunded to you at the show when the number is handed in.
6. Horses are to be presented in the marshalling area 10 minutes prior to the time stipulated on the program. Failure to report to the marshall at the allotted time may result in automatic elimination. No class will be delayed for late comers. **Horse handler and stewards only in marshalling area.**
7. Championship: Champions will be judged on or as soon as possible after the completion of the led classes. All eligible first prize winners must parade for relevant Championships or forfeit prizes. If the Champion is found to be ineligible for the class, then the Reserve Champion will be awarded Champion. Those eligible to compete for Reserve Champion (the horse placed 2nd to the Champion in its class) must marshal 5 minutes prior to Champion judging times so they are ready to contest as soon as the Champion is awarded.
8. All horses 2 years of age and over are expected to be capable of leading without outside assistance. You may have assistance for yearlings and foals alone or with their dams. Excessive stimulation of any exhibit will not be tolerated.

The protocol for AWHHA and Open Warmblood Led classes is as follows:

1. All exhibits are to enter the ring together led in at walk and presented to the judges, with the near side facing in the designated area to be scored for type and conformation.
2. Upon completion of the type and conformation assessment, all exhibits are to return to the collecting area as directed by the judges.
3. At the judges' indication, each exhibit will individually re-present to the judges and when asked to move off, commence one circuit of the exhibition triangle (see diagram on page 10) in walk, followed by a second circuit in trot. *Please note:* the triangle is used to demonstrate your horse's ability to move straight and to show correct movement. This is what the judges wish to see. It is to your advantage to follow these directions.
4. After presentation all exhibits are to remain in close proximity to the judging area as directed by the judges.
5. At the completion of the last exhibit the judges will announce the place getters.

~ A mare being classified at the 2010 AWHHA QLD Branch and IHB Gala Day Show ~

The Exhibition Triangle.

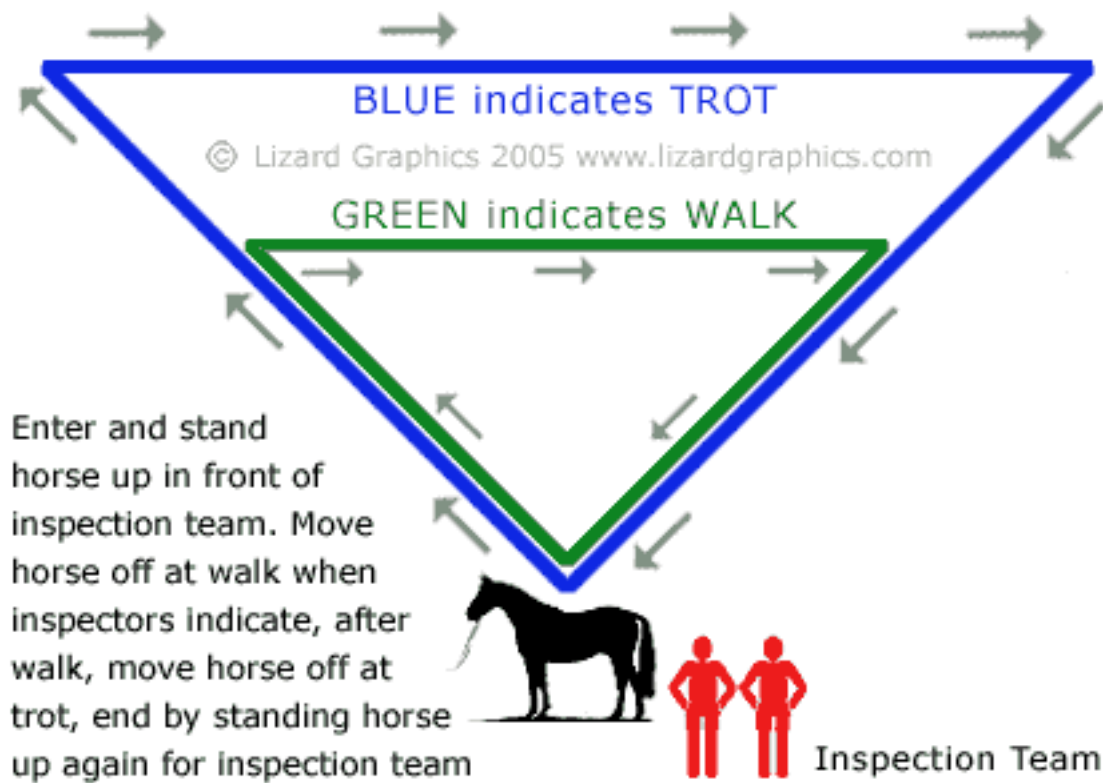

Image reproduced with kind permission of [Lizard Graphics](http://www.lizardgraphics.com). No reproduction allowed without express permission from Lizard Graphics.

Your inspection will take place on a triangular course where you place the left side of your horse to face the judges. Here the so-called open position is obligatory.

The judges will score the individual marks for conformation and then ask you to walk away from them on the triangle, turning around the markers in a clockwise direction and return to your original starting position. Your horse should walk freely forward and straight, on a reasonably loose rein. Remember to look forward in the direction you are walking, not at your horse.

You will then be asked to trot one lap with your horse in a clockwise direction. The judges stay at the same place, and with the triangular form of the course they are able to first inspect your horse from behind, then its action deployment from the side, and finally its correctness from the front. For that reason, however, it is necessary to follow exactly the triangular form of the course.

At the trot the horse should be given the chance to move as freely as possible. With regard to very actively moving the horse the handler should be someone who is able to move well enough him/herself to show this movement. When trotting your horse you take both the reins in your right hand.

After the trotted lap return your horse to the judges from the right side standing. Judges may allow a second trot triangle in order to see movement. If on the day you do not understand what is requested of you, please seek clarification.

Please note: all horses 2 years of age and over are expected to be capable of leading without outside assistance. You may have assistance for yearlings and foals alone or with their dams. Excessive stimulation of any exhibit will not be tolerated.

Judges: Silvia Ahamer (NSW) and Joanne Verikios (QLD).

Hillenvale Park Performance Warmbloods is owned and operated by Lisette New-Sippel. A boutique Holstein Warmblood stud originally from Rockhampton in Central Queensland.

I transferred to the Lockyer Valley in 2001 to complete a Diploma of Applied Science (Equine Studies). Prior to relocating we travelled the Agricultural Show circuit campaigning Thoroughbreds. With extensive hacking experience it was at a regional show that I first saw the Holstein Warmblood. We acquired a filly from River Range Warmblood Stud which was campaigned in dressage and hacking until semi-retirement to stud.

River Range Independence (Northern Classic x Flaneur (Imp)) is our foundation broodmare and has produced two beautiful colts thus far, HVP Saba's Eclipse by Noblewood Park Cougar (Collins x Caletto II) and HVP Courage by Noblewood Park Casino Royale (Imp) (Casall La Silla x Levantos I).

COUGAR, at an unprecedented six months old, won Supreme Champion at the Holsteiner Classifications in February 2002, was the winner of the 4 year old WA State Dressage Young Horse Championships in 2005, the Bates Newcomer Award in 2007, the 2010 ISS Summer Classic CSI-W Futurity and the 2010 NSW Country Jumping Championship - currently being campaigned by Georgina Oakman in eventing.

CASINO ROYALE is the first stallion to be imported into Australia that is by the popular and very gifted German Holstein sire, Casall La Silla. NP Casino Royale is successfully campaigned by Vicki Roycroft.

Our stud is expecting another Casino Royale foal in November this year. I prefer the performance bloodlines as it gives youngsters a great start in any discipline. We only breed one or two foals a year and are currently looking to selectively expand our broodmare band.

Our focus is on nutrition, education and overall well-being – a happy horse is a healthy horse.

Harris Park Warmbloods

Harris Park Warmbloods is a boutique Australian Warmblood stud located in Harrisville, Queensland. Proprietor Shanna Antrim commenced operation in 2006, utilising proven imported and local bloodlines in her show jumping and dressage breeding program.

Stallions utilised in her breeding program have been licensed and performance tested overseas or have been classified with the Australian Warmblood Horse Association Limited (AWHA Ltd). Imported stallions include D'Dur, Dornkaart, Gymnastik Star, Magritte, OO Seven, Quando-Quando, Riverside and Smash Hit along with IFS stallions Contendro I, Diamond Hit, Diarado, Earl, Fidertanz, Floriscourt, Graçieux and Scolari.

Broodmares utilised in her breeding program stem from lines such as Caprimond, Diskus, Donnerhall, Falkland, Gotthard, Grundstein I, Luciano, Monopol, Sandro Hit, Pik König, **Precipitation xx**, Rosenkavalier and Wörmann.

The **Queensland Filly of the Year - Glencairn Stud Perpetual Trophy** was instigated by Di Wolyncevic of [Glencairn Warmblood Stud](#) in 2002 to promote Australian Warmblood fillies both bred and born in Queensland. Australian Warmblood breeders in Queensland are breeding quality Warmbloods on par with the rest of Australia and this class showcases some of the quality horses in Queensland today.

Previous recipients of the Glencairn Stud Perpetual Trophy include Remi Wolkenstar (2002), Jaybee Colleen (2003), Jaybee Collette (2004), Abbadaire Diandra (2005), Silkbridge Anky (2007), Jaybee Royal Prinzess (2008), TK Driving Miss Daisy (2010) and Jaybee Alice (2012).

Pictured right: Di Wolyncevic presenting Christian Rebsdorf and Jaybee Alice the Glencairn Stud Perpetual Trophy in 2012. Jaybee Alice (Jaybee Alabaster x Carbine x Lander) is bred and owned by John and Bev Edwards of [Jaybee Farm](#).

The winner of the 2013 Glencairn Stud Perpetual Trophy will also receive a lovely photograph of their horse in an engraved silver photo frame. This prize has kindly been donated by John and Bev Edwards of [Jaybee Farm](#).

Judges: Silvia Ahamer (NSW) and Joanne Verikios (QLD).

the ART of capturing memories

Catherine Reid is a professional photographer who specialises in Equine Photography but not limited to Portrait, Event and Weddings.

Catherine knows horses and what is required to capture your precious animals showing their elegance, grace and purity.

Not only does photography play an important part but so does design. From advertising, websites and the all important logo that symbolizes you and your business combined.

Current AWA Financial Members Benefits

10% discount on all photographs

All members can use photographs obtained as an electronic version (email/CD) for personal advertising of their horse/stud at any given time.

A yearly 25% Discount Voucher to be used on a private photography shoot of their horses/stud valid for 3 months. Catherine Reid Photography will provide these to be sent out with QLD Branch member's yearly membership receipt.

QLD Festival of Dressage Raffle - website: www.qlddressagefest.com

The AWHQ QLD Branch committee is raffling 2 x general entry tickets to the Queensland Festival of Dressage valued at \$80.00 AUD (price of tickets purchased on the day). Multiple tickets can be purchased with raffle tickets for sale at \$1 each. You **DO NOT** need to be a member of the AWHQ Ltd in order to purchase tickets. **Non AWHQ Ltd members are more than welcome to participate in this raffle.** Cash sales will be accepted on the day of the Gala Day show. All proceeds from this raffle go towards the 2013 AWHQ QLD Branch and IHB Gala Day Show. Be sure to 'join' our [QLD FOD Facebook event](#) and invite your friends. **Special offers will be made available on the day so stay tuned to the AWHQ Ltd website and Facebook page for further information!**

IHB Celle Frozen Semen Raffle - website: www.ihb.com.au

The AWHQ QLD Branch committee is raffling one dose of frozen semen valued at \$628.00 AUD. One hundred and twenty six tickets are for sale at \$5 per ticket. Multiple tickets can be purchased. Please note in addition to the IHB terms and conditions as outlined on pages 5 and 6 of the catalogue are the following AWHQ QLD Branch conditions:

1. You must be 18 years or older to purchase a ticket.
2. **You must be a current financial member of the AWHQ Ltd.** If your membership has lapsed, you can find the AWHQ Ltd membership form on the AWHQ Ltd website: www.awha.com.au/memreg.aspx?C=1 Members from other AWHQ Ltd Branches are more than welcome to purchase tickets.
3. All additional costs including additional doses, transport, handling and insurance, and nitrogen are at cost to the winner.
4. The dose of frozen semen must be used with an AWHQ Ltd registered mare only.

Cash sales will be accepted on the day of the show if tickets are still available. All proceeds from this raffle go towards the 2013 AWHQ QLD Branch and International Horse Breeders Gala Day Show. **ONLY 126 TICKETS ARE AVAILABLE TO PURCHASE SO GET IN QUICK!** Please refer to the [IHB Celle Frozen Semen catalogue](#) for available stallions to choose from for the lucky winner!

Mitavite Lucky Dip - website: www.mitavite.com.au

2. Draw - MITAVITE MUNGA LUCKY DIP
3. Draw - IHB CELLE FROZEN SEMEN RAFFLE.

Munga

New from Mitavite, Munga is the ideal choice for dressage, show, trail and all sport and leisure horses.

Munga Is Ideal For:

- Fizzy or unpredictable horses that need a cool concentrate.
- Horses that need additional top line or muscle. Simply add 0.5kg of Munga to an existing ration to promote muscling.
- Owners/Trainers wanting a low starch concentrate.
- Owners/Trainers wanting a grain free and wheat free concentrate.
- Owners/Trainers that like to add grains or oils to the ration for additional energy.
- Horses that are good doers that can't be fed high levels of concentrate. If you can't feed to the suggested levels of 'complete without roughage' feeds such as Xtra-Cool, Economix Active or Pro-Sport as your horse is putting on too much condition, try Munga.
- Laminitic or Founder horses that need a low starch, nutrient dense concentrate that will provide a balanced ration when fed with adequate roughage, without excess energy and starch that can contribute to laminitis.

Munga Feeding Guide:

Follow the feeding guide on the Munga bag. A maximum of 2 kgs is fed per day.

If more energy or condition is needed add extruded grains, Power On or Performa 3 Oil.

The energy source you choose should match the temperament of the horse.

Add grains to a horse with a calm temperament or one that needs more 'spirit'

Add Power On and/or Performa 3 Oil and oils to a horse that can become fizzy or hot.

If horses need more top line or muscling add 0.5kg of Munga to an existing ration.

Munga provides a grain free, low starch concentrated feed, that provides a balanced ration when fed with adequate roughage, enhancing the building of top line and muscle, while keeping horses cool and calm.

Mitavite will donate \$1 from the sale of every bag of Munga to the McGrath Foundation from 1st July through to December 31st 2012

together we can make a difference

Super Premium Nutrition - A Matter of Trust

PREMONITION (IMP)

Licensed and Performance tested Hanoverian Stallion (HHSA and AWAH)

Chestnut 2008 16.1 ½

Premonition has it all. Beauty, fantastic temperament, balanced, expressive movement and a powerful jump.

With scores of 7.5 for walk, 8.5 for trot, canter and cross country and 9 for freejumping during his performance test, he came fourth overall.

Perigueux, Premonition's sire, has just been ranked third in the breeding index of the top ten sires of Germany. Trained by Eva Bitta, he is jumping successfully on the international circuit. He was recently described by Hannoverian Verband expert, Ludwig Christmann, as one of the promising sires at the moment. A filly by Perigueux just won the 4-year-old Hanoverian freejumping competition in Germany. Lordanos, on the dam's side, is also one of Germany's best showjumping sires.

Clem Smith (World Cup showjumper) Premonition's trainer and rider states " Premonition is very trainable with a wonderful nature. He has loads of scope and with his careful technique I feel that he will be a Grand Prix horse of the future"

The protocol for AWhA and Open Ridden Warmblood classes is as follows:

1. One rider per horse is permitted. There will be NO change of rider before the event.
2. Each ridden class has been allocated 15 minutes. If less time is required, the following classes may be called early.
3. The competition will be held in accordance with the rules set by the AWhA Ltd. The AWhA Ltd reserves the right to vary any aspect of the program as required.
4. Presented horses must be in good health and must not be lame.
5. The judges' decision is final.
6. Horse number: each horse will be supplied a number. A \$10 bond per number is required to be pre-paid with your entry. The bond will be refunded to you at the show when the number is handed in.
7. Horses are to be presented in the marshalling area 10 minutes prior to the time stipulated on the program. Failure to report to the marshall at the allotted time may result in automatic elimination. No class will be delayed for late comers. **Horse riders and stewards only in marshalling area.**
8. Championship: Champions will be judged on or as soon as possible after the completion of the ridden classes. All eligible first prize winners must parade for relevant Championships or forfeit prizes. If the Champion is found to be ineligible for the class, then the Reserve Champion will be awarded Champion. Those eligible to compete for Reserve Champion (the horse placed 2nd to the Champion in its class) must marshall 5 minutes prior to Champion judging times so they are ready to contest as soon as the Champion is awarded.
9. Exhibits are to enter the ring at a walk in a clockwise direction at the discretion of the ring steward/judges and may be asked to trot and canter as a group.
10. All exhibits will leave the arena and return individually when called. Changes of gait and direction, or a simple age appropriate workout will be indicated by the ring steward/judges.
11. At the completion of the last exhibit the judges will announce the place getters.
12. All exhibits in ridden classes must be ridden in a snaffle bridle. Use of side saddles and martingales is prohibited. Spurs must comply with EA guidelines.
13. ASA approved safety helmets must be worn at all times when riding, including in the warm-up area.

COMPLETION OF GALA DAY!

Judges: Silvia Ahamer (NSW) and Joanne Verikios (QLD).

The AWhA QLD Branch committee will be awarding the highest scoring mare from the 2013 QLD Branch mare assessments. This year's mare assessments will be on 15 Jun 13 at Gatton Showgrounds and 26 Oct 13 at QSEC. This award will be a frozen semen service to [Jaybee Alto](#) (Alabaster x Don Schufro x Glorieux) which has been **kindly donated** to the AWhA QLD Branch by **Bev and John Edwards of Jaybee Farm**. Please note that conditions apply.

JAYBEE FARM PRESENTS JAYBEE ALTO, THE NEXT STEP!

Jaybee Alto is a 5 year old chestnut stallion standing at 16.2 hh. He is by Alabaster (GER) out of Jaybee Desiree by Don Schufro (GER) out of Gloria (Imp), a full imported pedigree. He is the best moving and conformed young stallion Jaybee Farm has had, and at Jaybee Farm, that is a big statement. He has been classified and is approved by the AWhA Ltd. Jaybee Alto is the seventh colt they have presented for classification, and the seventh colt that has been passed and approved.

Jaybee Alto is a 3/4 brother to World Equestrian Games Australian Representative and Sydney CDI*** 2011 Big Tour Winner Jaybee Alabaster (IIU/Geld) (Alabaster x Glorieux x Grundstein I). Jaybee Alabaster is also the Australian National Grand Prix Champion 2011 and the Pacific League World Cup Dressage Champion 2011.

Jaybee Alto won his first three starts as a four year old Young Dressage Horse. He scored 8 at the 2011 Queensland State Dressage Championships, won at Clarendon in Sydney in a field of 32, and won, again with 8 in Toowoomba at the Young Dressage Horse Championships. He is working beautifully and as well as extreme movement, he has a great brain. He has a lovely character, and is very easy to handle.

Jaybee Farm's conditions for the donated service for the top scoring AWhA Ltd mare classified in Queensland in 2013 are:

- * The service will be delivered with frozen semen. This is excellent semen and in the first season of use achieved 6 out of 6 pregnancies from the first insemination.
- * The semen will be free of charge, but the mare owner will pay for transport from Agnes Banks Equine Clinic, Agnes Banks, NSW, and the veterinary costs involved in inseminating their mare.
- * 3 attempts are allowed to achieve one pregnancy.

Jaybee Farm will take a few outside mares to him this year by transported chilled semen or frozen semen. His stud fee is \$2,200.00 AUD inc. GST.
