

The National Championship classes are open to all ages and genders of AWA Warmbloods. Horses can enter these every year even if they have entered the year before. It is an opportunity for breeders and owners to see how their horses compare to other horses in their age category all over Australia.

Competition classes cater for all ages of horses and competitors that compete in a wide variety of disciplines. Exposure to potentially new markets

Our event relies on the generous support of volunteers, companies and business organisations to present a professional enjoyable event which conforms to all current health and safety standards.

Your financial support assists us to host the best possible event and ensures the longevity of our sport by assisting with costs to cover:

- Attendance international Judge
- Prizes to winners and place getters
- Long term sustainability funding

We can offer different sponsorship options with the following recognition for your business:

- Naming rights to the event or to classes
- Advertising in the official event program and social media posts before and during event
